DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7,10-23,26-36 and 38-52 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 17, 33 and 39, the prior art failed to teach a system, computer program product and method for managing and controlling a local network of electronic devices wherein the step of managing the electronic devices comprises: monitoring management initiating parameters including at least one of a system clock and sensed parameters and determining a management action to be performed on an electronic device to be managed based on the management initiating parameters, in combination with other limitations, as specified in the independent claims 1, 17, 33 and 39.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Wallace (US 6,856,247) is cited to show a system, computer program product and method for managing and controlling a local network of electronic devices.
